pratic

X1, X2, X3

X1, X2 e X3 sono le tende a rullo con tessuti filtranti o oscuranti e cavi in acciaio Inox.

EN

X1, X2 and X3 are Roller blinds with filtering or blackout fabrics and stainless steel cables.

DE

X1, X2 und X3 sind Rollmarkisen mit filternden oder verdunkelnden Stoffen und Edelstahlseilen.

FR

X1, X2 et X3 sont stores enrouleurs avec tissus filtrants ou obscurissants et câbles en acier inoxydable.

ES

X1, X2 y X3 son cortinas enrollables con telas filtrantes o negras y cables de acero inoxidable.

Le tende verticali della **Serie X** sono la soluzione ideale per la schermatura solare di ampie superfici vetrate e terrazze, generando il comfort termico desiderato negli ambienti domestici o commerciali.

EN
The vertical awnings of **X Serie** are the ideal solution for shading wide glazed surfaces and terraces while ensuring the desired thermal comfort both in domestic and commercial environments.

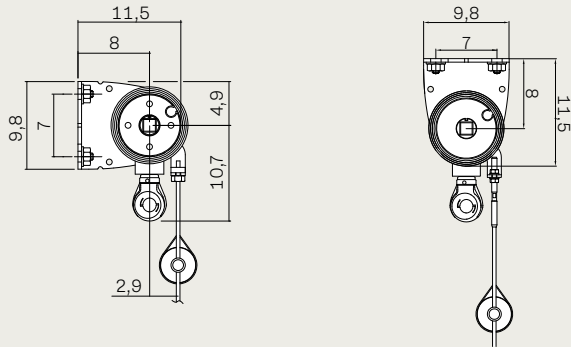

DE
Die vertikalen Markisen der **Serie X** sind die ideale Lösung zum Sonnenschutz von großflächigen Verglasungen oder Terrassen und sorgen für den gewünschten Wärmekomfort sowohl zu Hause als auch in geschäftlichen Umgebungen.

FR
Les stores verticaux de la **Série X** sont la solution idéale pour la protection de grandes surfaces vitrées et terrasses, tout en générant le confort thermique souhaité dans les endroits domestiques ou EcoSmmerciaux.

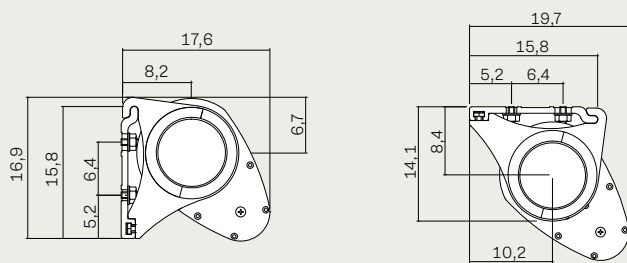

ES
Los toldos verticales de la **Serie X** son la solución ideal para la protección solar de grandes superficies acristaladas y terrazas, generando el confort térmico deseado en entornos domésticos o comerciales.
